

A photograph of a Tim Hortons restaurant at dusk. The building has a stone and wood exterior with a large red "Tim Hortons" sign. Below the sign is a menu bar listing "coffee • donuts • espresso • sandwiches • latte • bagels • smoothies". Red and white striped awnings cover the windows. A black SUV is parked in the foreground, and a recycling bin is visible on the right. The background shows a mountain under a twilight sky.

BUILDING. TOGETHER.

Celebrating 26 years of excellence

At Converge, we build relationships and properties. Both are set on a foundation of experience and first-grade standards.

ABOUT US

Converge is a Fraser Valley based construction company that provides premium construction services for both the commercial and residential sectors throughout Western Canada.

Over 26 years of experience

We have the experience, skillset and know-how to offer an extensive range of services for all of your construction needs.

Relationships first

The relationship with our clients is built on trust, integrity and respect. We focus on all the details so you don't have to.

Professional standards

We understand that achieving an exceptional product requires a team, so we work with the best in the business: from the architect and consultants to sub-trades and suppliers. We ensure the highest quality of building standards.

OUR SERVICES

We offer our clients a variety of services, from managing the entire project, or certain aspects.

Pre-Construction

We take care of everything before your project starts.

General Contracting

We manage and hire subcontractors so you don't have to.

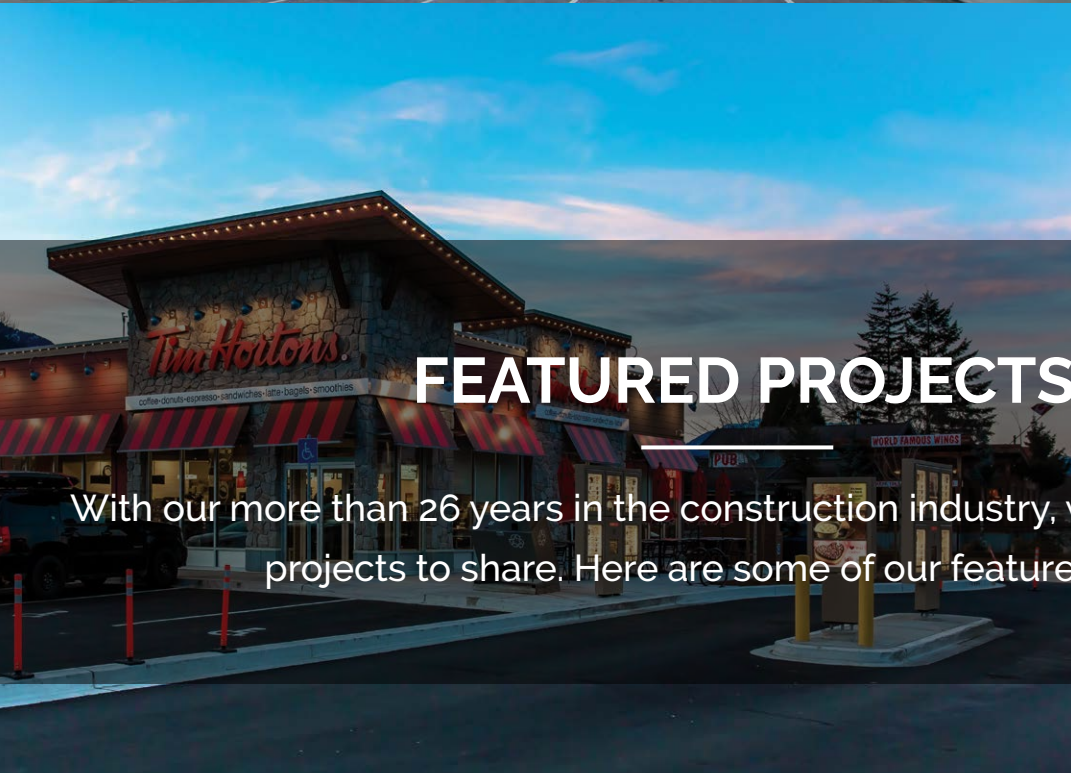

Design-Build

We are responsible for the entire project from concept to completion, and your only point of contact throughout the project.

Construction Management

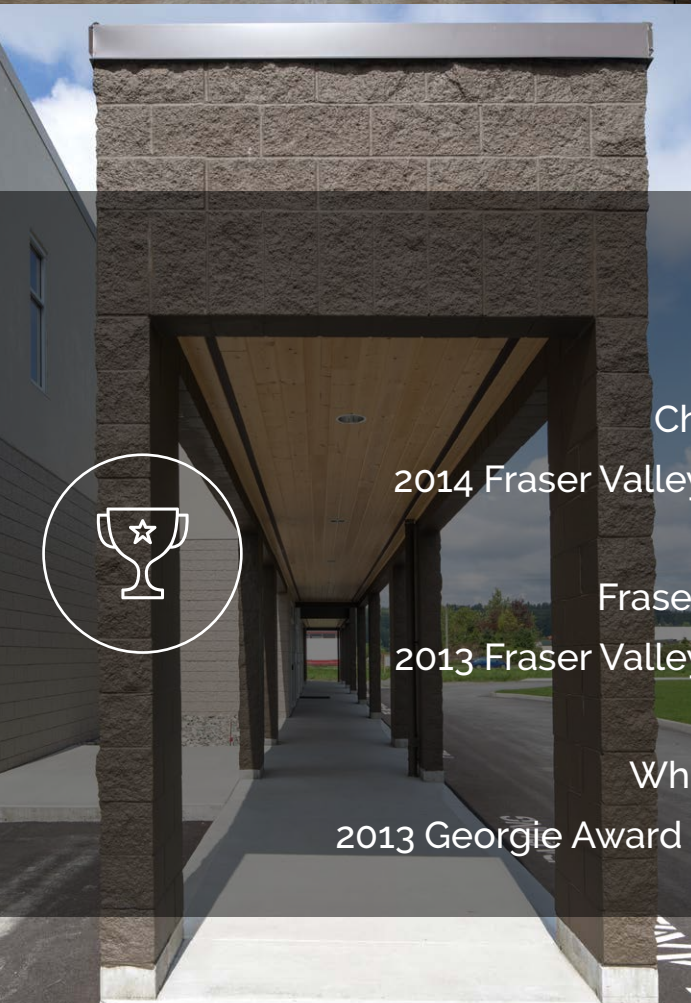

We are responsible for the overall planning and coordination of your project's build on your behalf.

FEATURED PROJECTS

With our more than 26 years in the construction industry, we have many great projects to share. Here are some of our featured builds.
